Note: If you are enrolled in a PPO plus Premier Program, please be sure to search both networks.

Stretch your annual maximum dollars!

If your Northeast Delta Dental plan includes our PPO network, and if you are looking for ways to save money on your dental care and lower your out-of-pocket dental expenses, consider looking for a Northeast Delta Dental PPO dentist for your care.

Health through Oral Wellness® (HOW®)

Health through Oral Wellness® is a program designed to promote better oral health and overall health for Northeast Delta Dental Members. HOW® is all about YOU because it's based on your own specific oral health risks and needs. Best of all, it's secure, confidential, and absolutely FREE.

KNOW YOUR SCORE - After you register, please take the free oral health risk assessment!

SHARE YOUR SCORE WITH YOUR DENTIST: Share your results with your dentist at your next dental visit. Your dentist can discuss your results with you and perform a clinical version of the assessment. Based on your risk, as shown on your clinical assessment, you may be eligible for additional preventive benefits at no cost if your employer participates in the HOW program.*

*Additional preventive benefits are subject to the provisions of your Northeast Delta Dental policy. Only the clinical risk assessment performed by your dentist can determine your eligibility for additional preventive benefits.
